University of Connecticut's Dr. Doug Kaufman spent the afternoon with teachers across all of Manchester's elementary schools...

children to put words on a page, to model their efforts after the craft of real authors, and in how to grow into confident, independent writers who know what it takes to make the words on the page serve them for whatever needs they may have as students, in their careers, and as adult members of a community.

University of Connecticut's Dr. Doug Kaufman spent the afternoon

with teachers across all of Manchester's elementary schools to deepen their understanding of effective writing instruction. Representative teachers from each school were excited to engage in work around what motivates
